Our Facilities

ATL JNPT 1

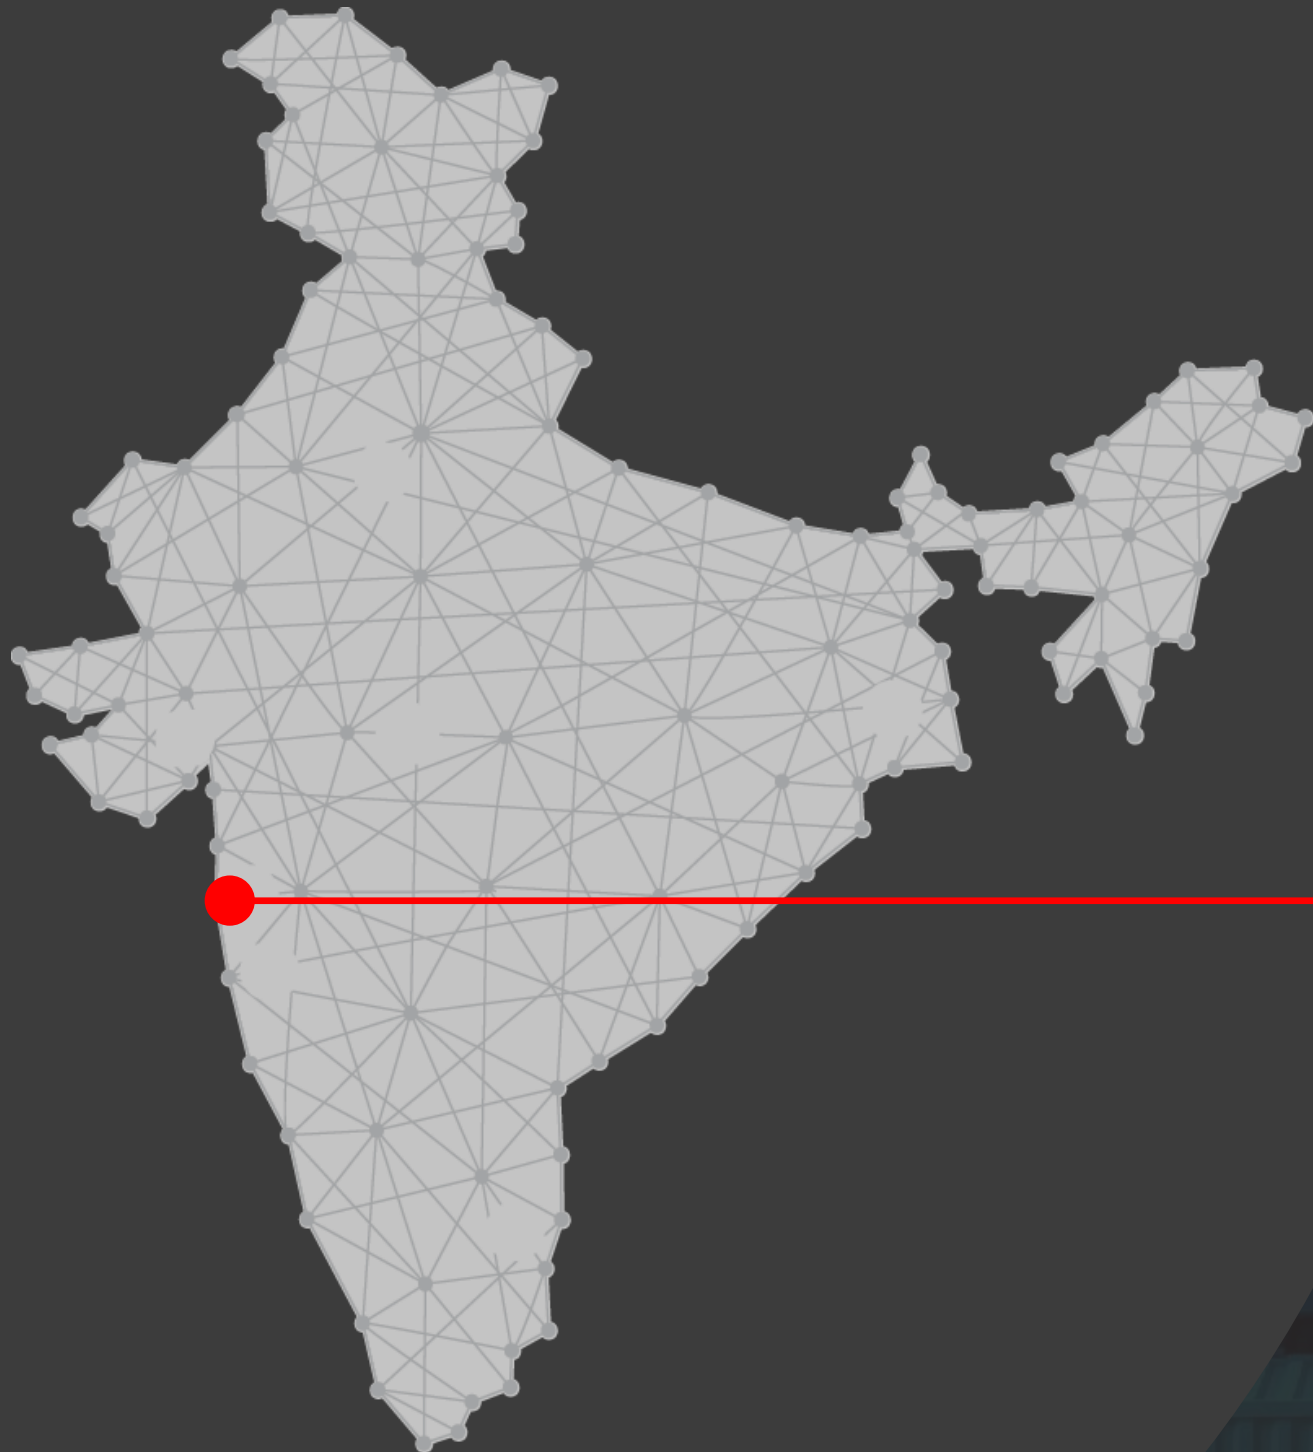

Nhava Sheva, Mumbai

Current Capacity: **1,93,000** TEU

Total Area: **45 Acres**

Distance from Port: **15 KM**

- » Container Freight Station (CFS) with maximum volume which offers a great advantage in terms of connectivity to the port
- » Ample space and experienced customs officials for smooth operations
- » Innovative processes and equipment. to reduce redundancies and significantly increase efficiency

Our Facilities

ATL JNPT 2

Nhava Sheva, Mumbai

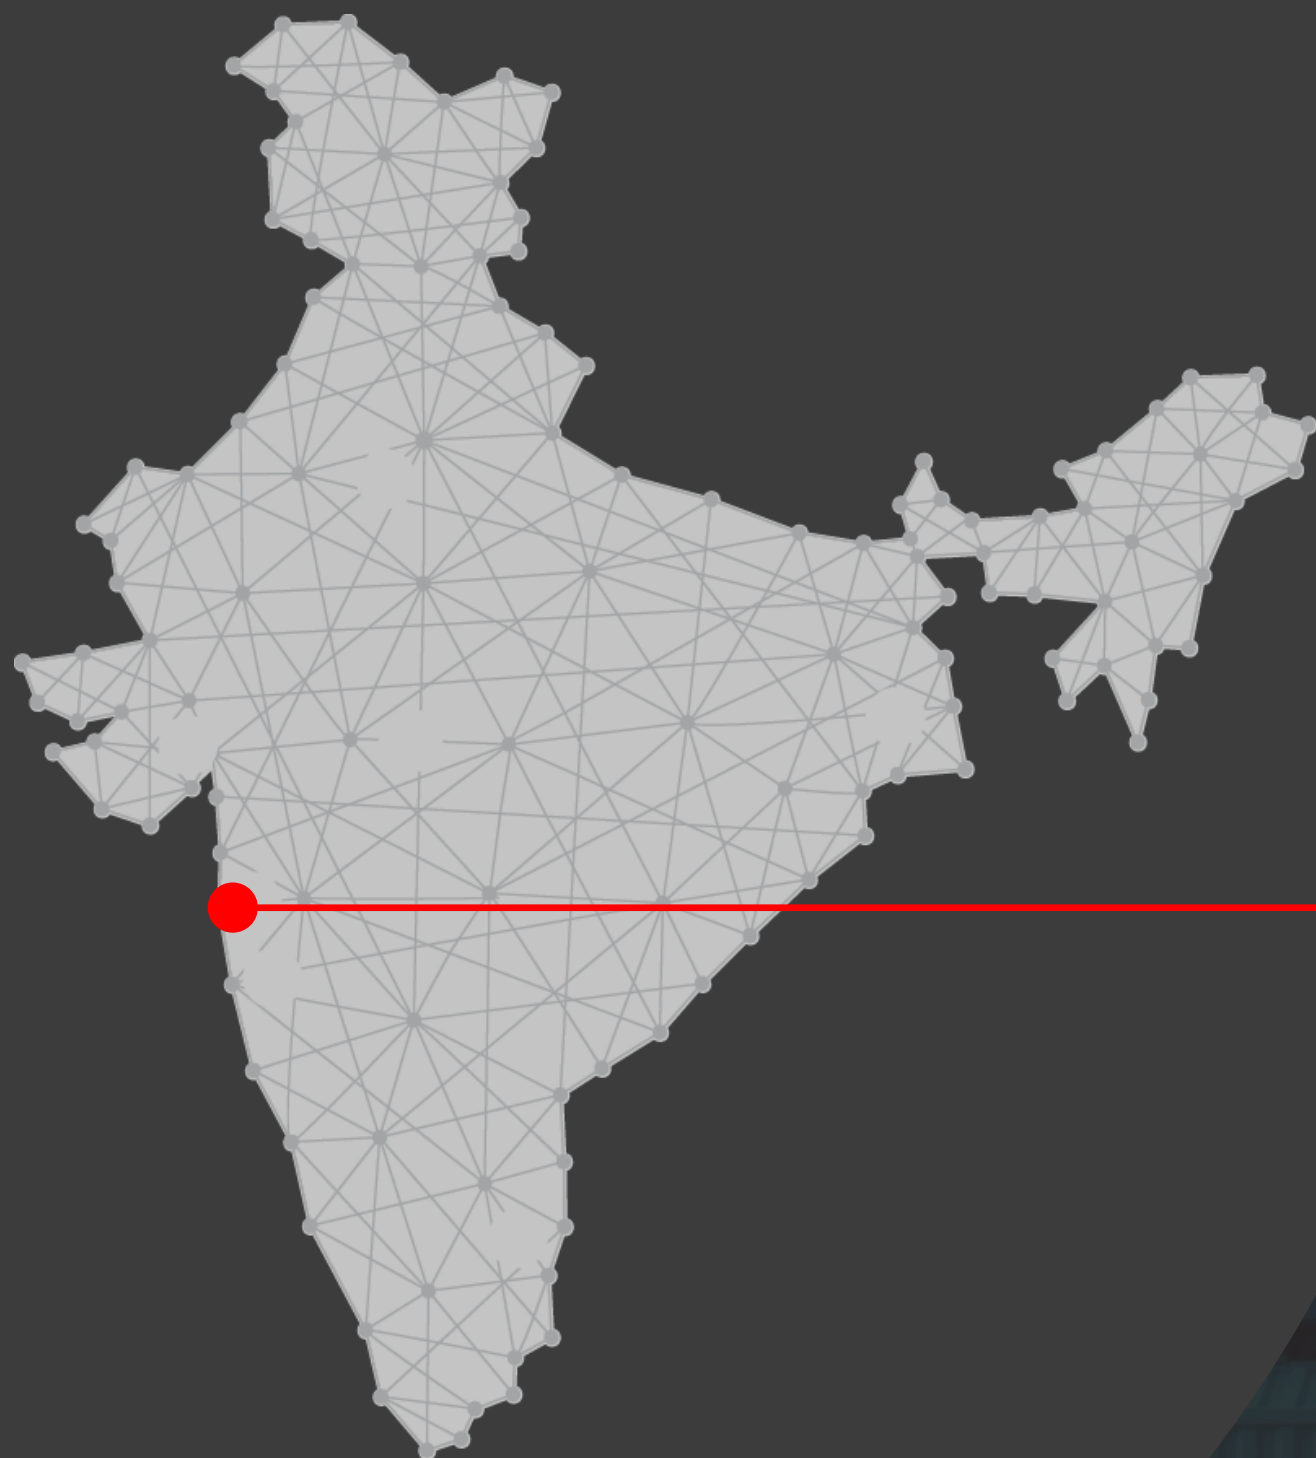

Current Capacity: 1,82,000 TEU

Total Area: 70 Acres

Distance from Port: 7 KM

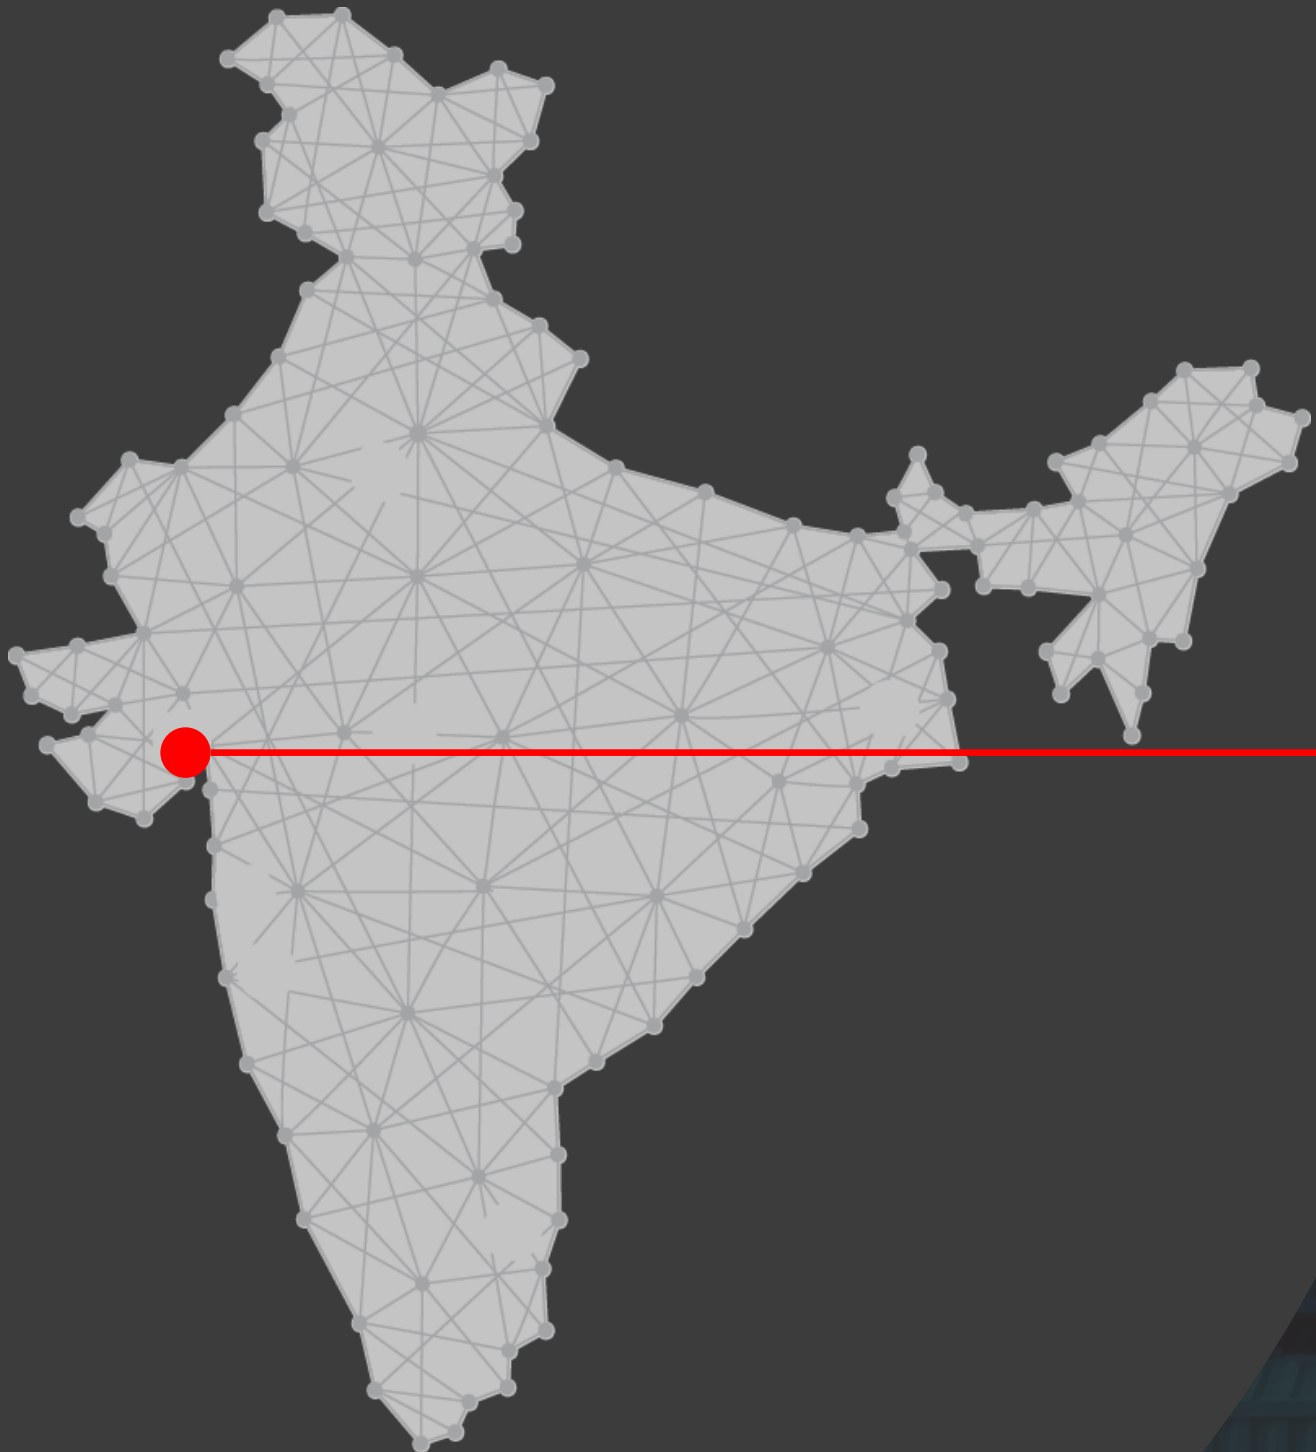

» The close vicinity to the port, backed by the best in safety and technology, helps you enhance the efficiency of your global and domestic business supply chains.

» As one of the closest CFS facilities from the port, we offer you not just safe storage and handling of your diverse cargo, but also assist with customs handling, documentation, and seamless solutions that suit your specific business needs.

Our Facilities

ATL Mundra 1

Mundra

Current Capacity: **64,000 TEU**

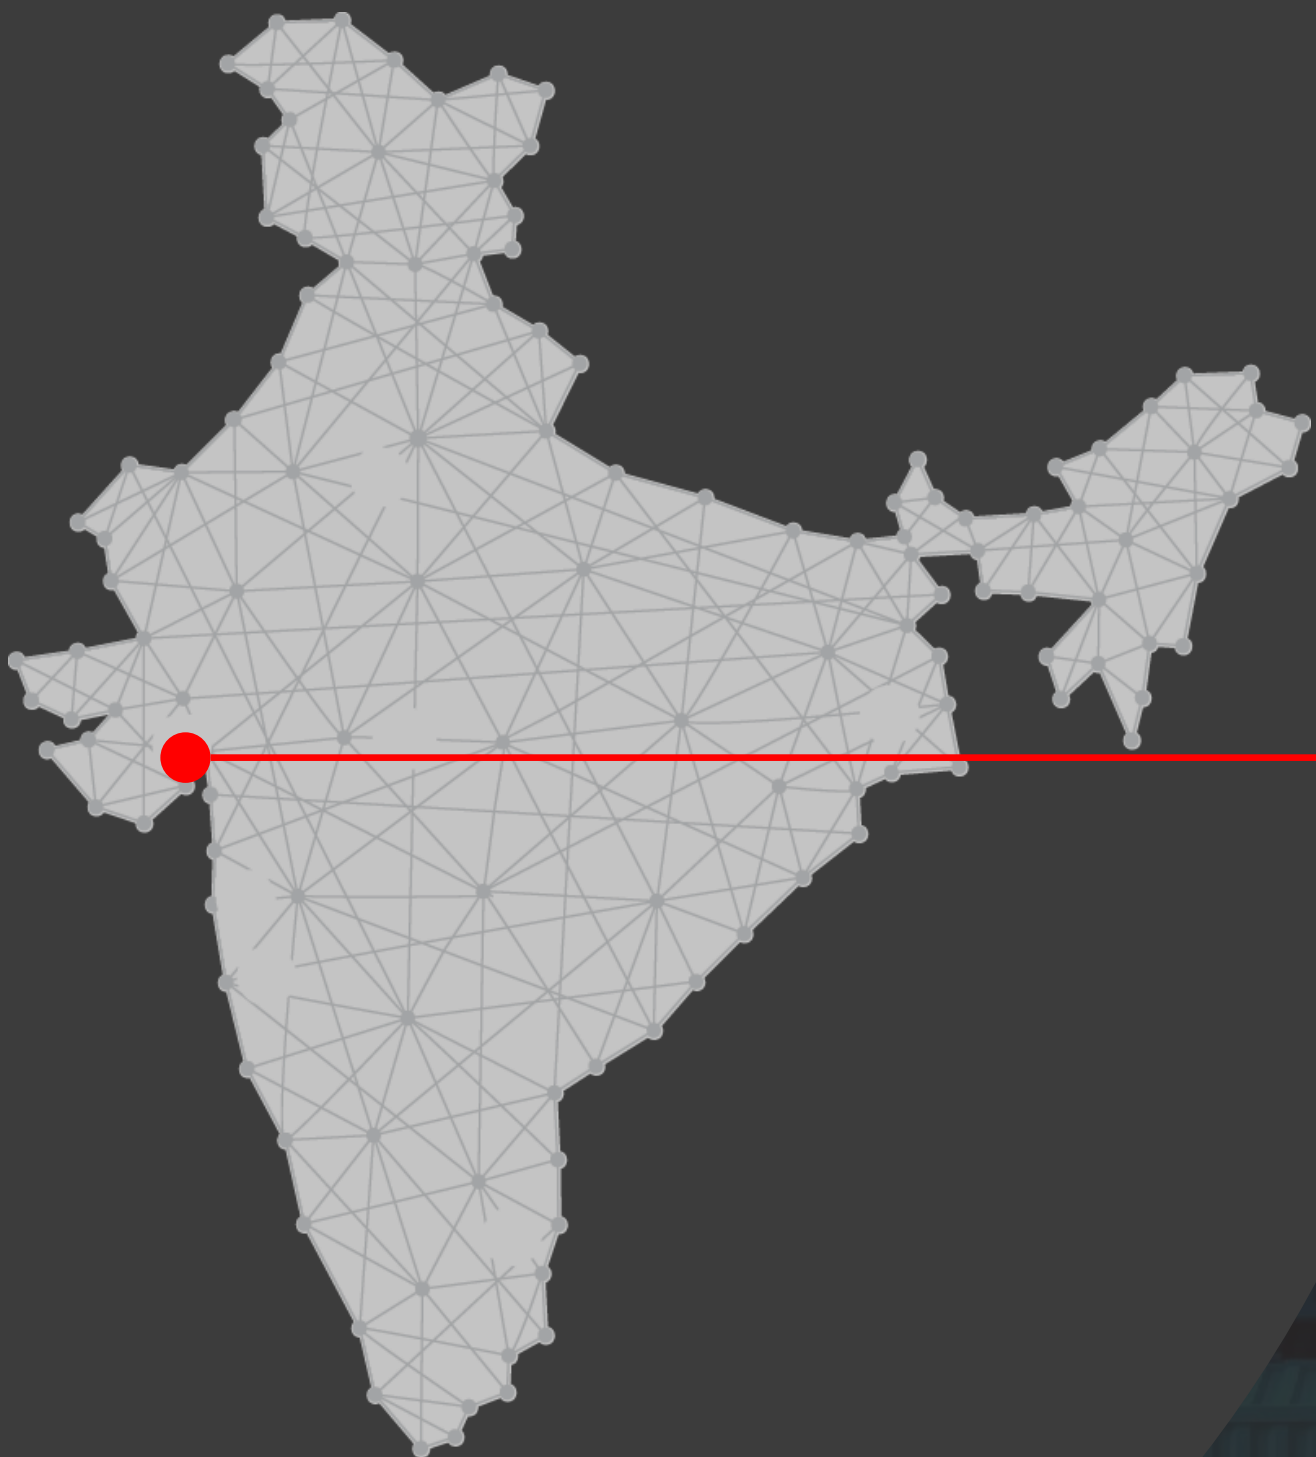

Total Area: **16 Acres**

Distance from Port: **7 KM**

- » An effective gateway into India's hinterland.
- » With liners focusing on the Mundra port because of its faster service and quick turnaround time for vessels
- » A CFS facility of international standards in the vicinity of the port

Our Facilities

ATL Mundra 2

Mundra

Current Capacity: **1,47,000 TEU**

Total Area: **42 Acres**

Distance from Port: **7 KM**

» An effective gateway into India's hinterland.

» Reach out for import and export handling, reefer services, bonded and non-bonded warehousing and a host of other valued-added services at one of India's important economic and logistics gateways.

Our Facilities

Chennai

Current Capacity: **87,000 TEU** Total

Area: **23 Acres**

Distance from Port: **8 KM**

- » Convenient international operation with an international trans-shipment hub catering to customers worldwide – a first-in-India service
- » Shorter transit times, given that the road to the port experiences high traffic congestion
- » State-of-the-art technology platforms, experienced teams, world-class equipment and processes, and 24x7 safety and security

Our Facilities

Kolkata

Current Capacity: **1,13,000 TEU**

Total Area: **17 Acres**

Distance from Port: **2 KM**

- » Fastest turnarounds and the convenience of last-mile delivery
- » End-to-end services such as customs clearance, freight forwarding, LCL and FCL consolidation services along with ODC handling and single window freight handling
- » Ideal gateway to India's north-eastern regions as well as neighbouring countries.

Our Facilities

Dadri

Current Capacity: **54,000 TEU**

Total Area: **10 Acres**

Distance from Port: **1.5 KM**

- » Strategically important owing to its connectivity to major ports in India and industrial areas in the north Indian hinterland
- » Significant time and cost-saving LCL consolidation services for export and import cargo
- » Well equipped with modern ensuring smooth and seamless transfer from rail to road and vice versa

Our Commitment to Environment, Social, and Corporate Governance

Environment:

- Committed to reducing our carbon footprint and minimizing environmental impact.
- Our Chairman Mr. Shashi Kiran Shetty is a signatory to the 'Statement of Support' of the Forum Supply Chain & Transport Community to accelerate a zero-emission future
- One million trees planted to green the earth's cover
- Electricity generation using wind and solar power to help reduce carbon emissions

Social:

- Inclusive programs in Education, Environment, Health, Women Empowerment, Disaster Relief, and Sports
- Have made a difference to over 4,00,000 lives to date
- Employee volunteering encouraged through activities like clean-up drives, marathons to support social causes, blood donation camps, etc.
- We encourage Diversity and Inclusion with team members from various cultures and nationalities, and more than 50% women in our global workforce

Corporate Governance:

- We adhere to the highest standards of governance, creating an enabling ecosystem
- Certified ISO 31000 framework for risk management and ISO 27001 for information security
- Business conducted in a free, fair, and ethical manner
- Well-defined plan for business continuity and to build resilience

From our Customers

“It is not just work, but also the people that weave the colour and fabric that form the company.

I have found Allcargo Terminals to be a very professional, committed and progressive organization.”

Captain Choo | Managing Director

“Technologically savvy, reliable and high-quality services combined with a Pan-India presence makes Allcargo a business partner we can always count on.”

Captain Anand | Director
